And there are even special components for staircase paneling

# FLOORINGS

Includes wood flooring, ceramic tile, stone, terrazzo, and various seamless chemical floor coatings.

## TYPES OF FLOORING INCLUDE:

- ❖ Laminate
- ❖ Layer wood-3
- ❖ Solid wood
- ❖ Engineering wood
- ❖ Tile carpets
- ❖ Roll carpets
- ❖ Outdoor decking
- ❖ Leather floorings

# LAMINATE

This exclusive luxurious laminate touches perfection, as it even outshines real wood. With the chrome zone technology, the shiny pores have a radiant luster, and in combination with the matt finish, it leaves quite an impression and shows real natural beauty.

The magnitude laminate is true to nature And all four sides have a beautiful micro v-groove. The light reflections and magnificent, enhancing the look and feel of your living environment.

# LAYER WOOD 3

Layers of natural wood. The surface layer is hardwood 3 this flooring consists of such as oak or maple. The core and bottom layer are softwood

# SOLID WOOD

We offer full selections of solid hardwood flooring. Find popular domestic Wood species such as oak and maple or stylish exotic wood floors like Brazilian cherry and mahogany. Find a hand-scraped floor that's one of a kind in the couture Century from handsculpted collection. Century-old techniques are used to give each floor a unique look.

# ENGINEERING WOOD

We specialize in custom-quality wood floor service. We pride ourselves in customer communication, capable craftsman, and value engineering.

We walk you through selecting a proper plan of action on restoring existing wood floors or choosing the correct wood floor for you.

Each job will get a detailed consultation of your wood floor project, on time scheduling plan, and a follow up acceptance interview

# TILE CARPETS

Carpet tiles have become an alternative option against ordinary carpets that are a bit hard to manage, install and maintenance. With this material, you'll be able to choose the boundaries and areas that you are planning to install. Since these tiles resemble a puzzle-like structure, design and a variety of styles are available that can suit any function, whether at home or in the office.

# ROLL CARPET

Clear, self-adhesive film that provides protection for all types of carpets. Rolls down by hand, and is easy to remove. Protects against stains, tracked-in dirt inclement weather, etc

# OUTDOOR DECKING

All kinds of environments can be enhanced with couture interior decking whether you're looking for an incredible new deck, porch or swimming pool deck

# FABRIC

Nk International Decor is a collection of high-quality interior and decorative fabrics swatches, based on a range of authentic and beautiful designs created to both contemporary and classic interiors

## TYPES OF FABRIC SWATCHES INCLUDE:

- ❖ Design fabric
- ❖ Children fabric
- ❖ Upholstery fabric
- ❖ Curtains fabric
- ❖ Leather

# DESIGN FABRIC

Nk International specializes in cutting edge design, and within its comprehensive portfolio of fabrics you will discover an amazing breadth of prints and weaves in a dazzling array of colours and textures.

From bold and contemporary to understated and a world of opportunity to help you transform your home

# CHILDREN FABRIC

Our children's fabric range features designs that cater to all tastes.

Choose from an extensive collection of colorful kids fabric swatches that includes ballet themes sports motifs, birds, bunnies, butterflies, circus and cowboy designs, pets, dolphins, fairytale characters, firefighters and many cartoon characters.

These latest collections hold something for everyone, whether chic embroideries or contemporary weaves, cute characters or vintage prints. Yet inspiration has come from some unexpected sources: careful inspection of the newcomers will reveal references to elegant tailoring, to industrial heritage, to folklore, and even to fossils

# LEATHER

The elements of touch, texture, and play of light on different leather types.

The different color swatches are subtle and sophisticated, mixing bright or dark colors with several different textures and patterns with neutral tones for a classical or modern look

# UPHOLSTERY FABRIC

A collection of amazing breadth of prints and weaves in a dazzling array of colours and textures. From bold and contemporary to understated and classically elegant

Since our main target from the beginning has been focused on quality, at the present time our product is considered the best by our end users in our local market, and we are confident that this brand will find its special position in the international markets as well

# KITCHEN CABINETS

TYPES OF KITCHEN CABINETS INCLUDE:

- ❖ Classic
- ❖ Modern

# CLASSIC

Choosing a new kitchen design involves making many very important decisions, colors, flooring, cabinets, countertops, backsplashes, appliances, lights, accessories fabric and even furniture that will coordinate and create a united design. Since your kitchen is an important gathering place for friends and family, it's important that your choices harmonize for the total look and feel you have in mind. If your goal is comfort style and efficiency, chances are direct buy has what need

# MODERN

Modern kitchens, as a rule, allow much more storage than the kitchens of the past. The cabinets are built to put stores away from view, in the recesses of the cabinet. This helps them to be securely stored, without standing out as eyesores it should be acknowledged that cabinets offer versatile and generous storage large sliding doors allow easy accessibility

# THANK YOU

## WHY US?

We have a proven track record of finding exactly the right designers for our clients & offer unparalleled access to some of the interior designers in today's time constitutionally!
